DANLY IEM Lamina LEMPCO

**TRUSTED SERVICE
AND QUALITY PRODUCTS**

- ▶ Our vast breadth of standard and custom component products, manufactured under the brand names of Danly, IEM, Lamina, Lempro and Punchrite, assures innovative solutions to meet customer specifications. Included in our full line offering are both inch and metric size die components that are designed to die standards including ISO, NAAMS, JIS and many automotive and appliance manufacturers' standards.
- ▶ We offer cost-effective solutions and application expertise, which in turn allows our customers to be more competitive. With our technically trained, in-field Application Engineering Specialists, our team strives to address customer needs and provide value-added support to our product lines.
- ▶ We have an extensive worldwide authorized network of distributors with localized inventory for fast service.
- ▶ Our goal has always been to provide the best possible service for our customers, as well as maintain a high level of quality and dependability. With our technically trained Product Engineering Specialists, our team strives to address questions and expedite your orders from 7am to 8pm EST. We are ready to serve you with the responsiveness and precision you demand.
- ▶ Products are manufactured in ISO 9001 and ISO 14001 registered facilities.
