

February 27, 2026

Dayton Lamina Corporation
500 Progress Rd
Dayton, OH 45449-0039

This letter is to serve the purpose of confirmation that Products from Dayton Lamina are in full compliance with REACH List of Substances of Very High Concern contained in the articles above the threshold of 0.1% w/w manufactured and marketed in the EU (Legal Reference EC 1907/2006). This is an update to reflect the additional substances added in February 2026, expanding the list to 253 substances.

Dayton Lamina does not produce any products that use these added substances, or any substance on the SVHC list.
